

**T36****LIFE RAFT****COMMERCIAL****AVIATION**

## BUILT WITH NECESSITIES, CUSTOMIZED FOR YOUR NEEDS

### PEACE OF MIND

The EAM T36 life raft uses a composite cylinder with a visible pressure gauge to ensure it is fully-charged and functional.

### COST SAVINGS

The EAM T36\* life raft is lighter than our comparable EAM T32 model. The standard service interval is every 3 years.

\* Without Center Float

### FULLY CUSTOMIZABLE

The EAM T36 life raft can be customized with different packing options and survival kit components to meet client requirements and needs.

### PRODUCT HIGHLIGHTS

- 36-Person Raft
- Reversible Twin Tube
- FAA-TSO-C70a (Type I)
- Approved for Commercial Airline Use
- Rated Capacity: 36
- Overload Capacity: 54

### EAM T36 SPECIAL FEATURES:

- Air-aspirated with a high pressure composite cylinder
- Hermetically-sealed and vacuum-packed survival kit
- Available with or without a center float
- Integrated towing harness
- Customizable packs

**MADE IN THE USA**
